25X1A 5. (Confidential - LLM) Met with George Murphy, Executive Director, Joint Committee on Atomic Energy, and provided him with a report on Soviet Fast Breeder Reactor At Shevchenko Experiences - Another Steam Generator Failure, provided by [REDACTED] OSI.

25X1A Murphy asked if we had any information that there were problems with the French Phenix as a result of "swelling." [REDACTED] OSI, has been advised.

6. (Unclassified - LLM) Left in the Speaker of the House of Representatives' office, for a staff member accompanying the Speaker on his trip to the Soviet Union, an unclassified paper on the "Hard Currency Situation in the USSR" in follow up of a request made yesterday in our session with the Speaker and his staff.

7. (Confidential - LLM) Joe Clark, DOD (Air Force) escort officer, who will accompany Ed Braswell, Chief Counsel and Staff Director, Senate Armed Services Committee, on his upcoming trip provided me the itinerary and an indication of those locations where Braswell would like to meet with our personnel. An Air Force cable on the trip hopefully will be cleared sometime tomorrow and Clark will provide us the references to it. Clark has no problems with not participating with Braswell in sessions with our personnel. Braswell will also be accompanied by W. E. Cresswell, Administrative Assistant to Senator John C. Stennis (D. Miss.). The [REDACTED]
